

August 2026 Management Report

Synthetic management accounts | Prepared 8 September 2026

Executive summary

August revenue was MYR 842,000 and operating expenses were MYR 619,000, producing operating profit of MYR 223,000.

Performance

Metric	August 2026	July 2026	Variance
Revenue	MYR 842,000	MYR 801,000	+5.1%
Operating expenses	MYR 619,000	MYR 602,000	+2.8%
Operating profit	MYR 223,000	MYR 199,000	+12.1%

Cash position

The synthetic closing cash balance was MYR 1,460,000. Accounts receivable older than 60 days totalled MYR 74,000.

Finance note

The board requested a margin review for service line Delta because supplier costs increased during the month.
