

FY2027 Budget Forecast

Synthetic planning document | Scenario B

Planning assumptions

The base case assumes 8 percent revenue growth, 5 percent salary inflation, and MYR 180,000 of equipment investment.

Department budget

Cost centre	FY2026 forecast	FY2027 budget
Operations	MYR 2,120,000	MYR 2,260,000
Marketing	MYR 640,000	MYR 720,000
Technology	MYR 910,000	MYR 1,080,000

Scenario trigger

If quarterly revenue falls below MYR 2.1 million, discretionary hiring and non-essential capital purchases require CFO approval.

Restricted handling

Forecasts and scenario thresholds are for Finance and Executive users. They must not be returned to HR queries.
